EXQUISITE HOME. "Every detail considered" WHERE SARASOTA BAY MEETS THE GULF OF MEXICO. NORTH SIESTA KEY. Do not miss this unparalleled opportunity to own an exquisite waterfront home, where luxury, location, and breathtaking views combine to create the ultimate island sanctuary. This timeless residence, nestled on Big Pass at the entrance to the Gulf of Mexico, promises an exceptional lifestyle. The main home was untouched by hurricane waters, with only minimal cleanup needed in the non-conforming space. After the recent hurricanes, no water intrusion has been noted, underscoring the home's robust construction. The sellers have invested in a brand-new tile roof, ensuring long-term value and peace of mind—even though the existing roof had years of life left.

spectacular sunrises, sunsets, or the tranquility of island living, this residence is a true escape. Siesta Key has been recognized as the number one beach in the United States multiple times by Dr. Beach. The soft white sand is made almost exclusively of pure quartz, which remains cool on the feet even when baked in the Florida sun.

Step inside to experience the grandeur of this architectural masterpiece by a well-renowned architect. The open-concept living space flows seamlessly, with soaring ceilings and floor-to-ceiling impact windows framing panoramic, 180-degree views of the sparkling waters. A private elevator transports you between levels, adding both convenience and sophistication. The gourmet/chef's kitchen, equipped with high-end appliances (Wolf, Miele, etc.), sets the stage for both intimate meals and grand entertaining.

This home's five spacious en-suite bedrooms, provide luxurious comfort and privacy. Designed for light and air, every room offers stunning vistas, creating an inviting and serene atmosphere. The property has undergone over \$3 million in upgrades since 2020, ensuring that every detail is perfect. From Italian plaster and book-matched Calcutta Gold marble to custom wood floors and a bespoke Clive Christian kitchen, the Kohler natural gas generator supplies the entire home, three fireplaces, an elevator, a central vacuum, and 2 Tesla car chargers, no expense has been spared. Furnishing may be purchased separately.

Smart home features include Lutron lighting, an integrated security system, and commercial-grade Wi-Fi in every room, ensuring modern convenience at your fingertips.
